## Activities, Achievements & Celebrations.

The Dawn of a New Year, Filled  
with Promise and Power

# Introduction

Welcome to the First Edition of Campus Chronicles!

We are excited to launch the very first edition of Campus Chronicles, our official school newsletter. This platform is designed to celebrate the bright minds, remarkable talents, and inspiring journeys within the Clever Minds community. Campus Chronicles isn't just a collection of updates—it's a window into the passion, creativity, and dedication that define our students, teachers, and staff.

At Clever Minds, we firmly believe that every student has the potential for greatness. In these pages, we will shine a spotlight on their achievements—whether it's academic excellence, sporting triumphs, innovative projects, or community contributions. We are committed to showcasing the stories that make our school a vibrant, dynamic place to learn, grow, and make a difference.

As we begin this exciting new chapter, we invite you to embrace the spirit of possibility, take pride in every step of the learning journey, and continue striving for excellence. Together, we are shaping the leaders, thinkers, and change-makers of tomorrow. Let Campus Chronicles inspire you to reach new heights, challenge your limits, and never stop believing in your potential.

Here's to a journey of growth, discovery, and success. Stay tuned for more inspiring stories, updates, and exciting moments in the months ahead!

Team Clever Minds

# Management Desk

**Greetings to our valued students, parents, and faculty members!**

We are thrilled to welcome you to the inaugural edition of Campus Chronicles, the official newsletter of Clever Minds Global School. This platform is dedicated to celebrating the incredible achievements, milestones, and stories that define our vibrant community. It is a reflection of our unwavering commitment to excellence and the collective spirit that fuels the journey of our students, staff, and parents.

At Clever Minds, we believe in nurturing more than just academic excellence—we are dedicated to fostering curiosity, innovation, and character. Through Campus Chronicles, we aim to share inspiring stories that showcase our students' growth, from their academic pursuits to their creative projects and community engagement. Every achievement, no matter how big or small, is a step toward building a brighter future.

Our mission is to equip our students not only with knowledge but with the skills, values, and resilience they need to become leaders in their chosen fields. This newsletter will be a constant reminder of the potential within each of them and the importance of pushing boundaries, embracing challenges, and striving for excellence in everything they do.

We extend our heartfelt gratitude to our parents for their continued trust and support and to our dedicated faculty, whose efforts are integral to shaping the next generation of thinkers, innovators, and change-makers.

Thank you for being a part of the Clever Minds journey. Together, we will continue to inspire, innovate, and excel.

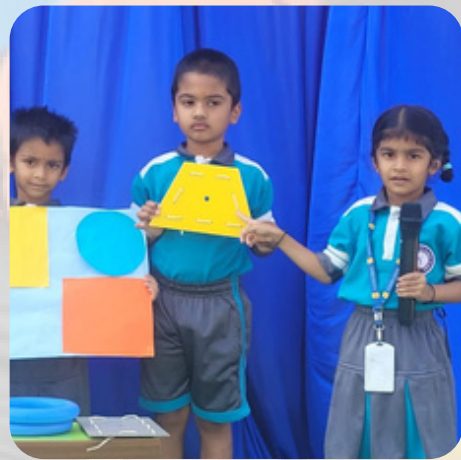

Warm regards,

The Management Team  
Clever Minds Global School

# Assemblies

## IK1 's Colourful Performance:

The little minds delivered a vibrant performance brimming with creativity and enthusiasm. Their colorful visuals and lively actions captivated the audience, inspiring their schoolmates to embrace their own creativity. It was a memorable testament to youthful imagination and energy.

## IK2 Shaping Sensation:

The Clever Crew from IK2 confidently showcased shapes and their features with lively movements, making math fun and easy to understand. Their energetic performance highlighted their creativity and teamwork, leaving a lasting impression on everyone.

## Grade – I Responsible Individual:

Grade 1 students shone in their assembly activity, teaching their peers to be mindful of their actions. Through their performance, they emphasized responsibility and self-awareness, fostering personal growth and accountability from a young age.

## Grade 6 Swachh Bharath:

The young thinkers of Grade 6 & 7 presented a compelling performance, highlighting the importance of cleanliness and hygiene in India. Their engaging display inspired peers to take action and make a positive impact.

*"It always seems impossible until it's done." – Nelson Mandela*

# ESP

## Building cognitive skills :

IK1 students shine at the Assembly, confidently showcasing their growing with learning and celebrating a major breakthrough in their learning journey, filled with excitement and pride

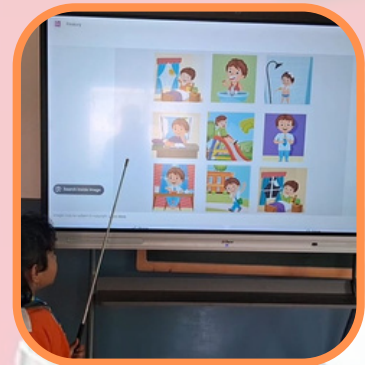

## Magical Words:

IK1 stars unlock the magic of words, empowering their daily lives and discovering the power of language and build a stronger connection to the world around them.

## Daily – Routine:

IK1 stars shine bright in their daily routine, filled with learning, laughter, and adventure! From morning assembly to story time, and from playtime to mealtime, every moment is a chance to discover, grow, and thrive!

Identifying letters with pictures and giving back a resounding activity performance by IK1 to engage a child in fun way and to teach alphabet recognition and phonetics.

*"Dream, dream, dream. Dreams transform into thoughts, and thoughts result in action."*

*— Dr. A.P.J. Abdul Kalam*

# ESP

## **Growing Responsible:**

IK2 students interacted with community helpers, learning about their roles in a fun and engaging way, while appreciating their contributions to the community.

## **Phonics:**

IK2 stars are phonics detectives, identifying sounds and cracking the code to reading! They listen, learn, and practice, becoming masters of phonics and unlocking a world of literacy.

## **Learning – fun :**

Students of IK3 engaging in activities that spark curiosity, foster creativity, and promote learning in a zero-stress environment. Where fun and discovery come together to create a love for learning that lasts a lifetime

## **Story Time :**

Stories come alive with furry friends and fantastical characters! Laughter, excitement, and learning guaranteed as IK3 students bring tales to life with puppets!

*"The future depends on what we do in the present." — Mahatma Gandhi*

# MSP

## Library Tour by Gr-I:

Delve into the pages and get lost in the stories that bring reading to life. Join our kiddos as they explore the wonders of the library, uncover its treasures, and embark on countless adventures. Each book holds new possibilities, sparking imagination and curiosity. Let reading become your best friend, guiding you through a world of endless learning and fun. Let the magic of books inspire you to dream big and discover the joy of learning!

## Literacy Works by Gr-IV:

Students' discovery of poetry unlocks creativity and imagination! Encouraging children to write their own poems is a fun and engaging way to enhance their literary skills. It helps foster a love for language and creative expression, allowing young minds to explore their emotions and thoughts. Poetry inspires them to see the world through a unique lens and gives them the freedom to experiment with words. Let's nurture their creative potential and inspire a lifelong love for the written word!

## Painting by Gr-II:

The little artists of Grade 2 are enhancing their artistic skills with Tux Paint, blending creativity with technology. These future tech artists are not only developing their drawing abilities but also learning valuable computer skills like mouse control, color selection, and digital brushstrokes. Their exploration of digital art opens up a world of creativity and technology. Through this, they are laying the foundation for both artistic and digital proficiency.

*"What we learn with pleasure, we never forget." — Alfred Mercier*

# Academics

## Maths Carnival

Our students demonstrated exceptional enthusiasm and dedication at the Maths Carnival, showcasing their impressive skills and hard work with remarkable confidence. Their participation truly highlighted their commitment to excellence in mathematics.

Parents enthusiastically voted for the following activities, taking an active role in shaping our *Clever Minds* community. Their engagement highlights the importance of collaboration and shared decision-making in creating meaningful programs.

### **Shapely Math:**

Congratulations to IK2 for winning the project! The students excitedly showcased their innovative math project, "Shapely Math," which allowed them to explore shapes, patterns, and mathematical concepts engagingly and interactively.

### **Place Values:**

The 'Place Values' project impressed us with its attention to detail and creative approach. Finishing in second place, it showcased the exceptional mathematical skills and innovative thinking of the IK3 kids, highlighting how much they truly value math in their lives!

### **Geometrical Park:**

The "Math Geometrical Park" project emerged as the Pioneer, winning FIRST PLACE! Congratulations to the students for their outstanding work, showcasing mastery of geometric shapes and math concepts engagingly!

### **Math Bank:**

The "Math Bank" project earned second place! Congratulations to the students for showcasing their strong grasp of math and financial literacy in such an engaging way. Their creativity has truly made math a valuable asset!

*"The only way to do great work is to love what you do." — Steve Jobs*

# Coffee Morning

## Building Confidence and Connecting with Parents

At Clever Minds, we believe in the power of collaboration between parents and the school in shaping a child's educational journey. During our recent Coffee Morning, IK 2, IK 3, Grade I and Grade IV students proudly showcased their learning and demonstrated their understanding of classroom content with confidence. It was an inspiring moment for parents to witness the growth and progress their children have made. This event highlighted the importance of fostering a strong connection between home and school, where parents are not only partners but also active stakeholders in their child's development.

For prospective parents, events like these serve as a testament to the nurturing, supportive, and growth-driven environment we cultivate at Clever Minds. Our commitment to building confidence, both in our students and in our parent community, makes us the ideal place for your child's future.

*"It always seems impossible until it's done." — Nelson Mandela*

# Field Trip

## Exploring the Community: IK Students Visit Local Businesses

Our IK students recently embarked on an exciting field trip to explore key community services and businesses. They visited a supermarket, hospital, pharmacy, bakery, and restaurant to gain firsthand insight into the processes and services each of these places provide. The students had the opportunity to interact with professionals in these fields, including sales representatives, doctors, pharmacists, bakers, and chefs. These engaging interactions not only expanded their knowledge but also helped them understand the importance of these services in their daily lives. It was a wonderful learning experience that connected classroom lessons with the real world, sparking curiosity and offering valuable insights into various professions.

*"The journey of a thousand miles begins with one step." — Lao Tzu*

# New Year Celebrations

Welcoming the New Year with Energy and Enthusiasm!

Our students greeted the new year with an infectious energy and excitement that set the tone for the months ahead. The day began with a thoughtful activity where each student wrote their resolutions, reflecting on their goals for the year. Seeing young minds filled with aspirations for growth, learning, and success was inspiring. Afterwards, the school gathered for a fun-filled lunch, where laughter and camaraderie flowed freely, bringing the community closer together. This lively celebration not only kicked off the new year but also reminded us all of the power of reflection, goals, and shared joy. Here's to a fantastic year ahead, full of new beginnings and endless possibilities!

*"In a conflict between the heart and the brain, follow your heart." — Dr. A.P.J. Abdul Kalam*

# Celebrating Pongal with Joy and Festivity!

At Clever Minds Global School, we embraced the spirit of Pongal with vibrant celebrations filled with energy, creativity, and tradition. To mark this joyous occasion, we hosted a Rangoli and Kites Competition, where students and parents came together to showcase their artistic talents and competitive spirit. The event saw active participation from our parent community, who enthusiastically joined in to create stunning rangolis and colorful kites, adding to the festive atmosphere.

Our school was beautifully decorated with a Pongal theme, bringing the warmth and joy of the festival to life. The decorations, inspired by the court of toys, were designed to evoke the essence of this traditional harvest celebration, creating a captivating visual experience for everyone. As part of the festivities, our students participated eagerly in both the rangoli and kite festivals, demonstrating not only their creativity but also their understanding of the rich cultural traditions associated with Pongal.

The celebration was a wonderful fusion of fun, family involvement, and learning, and it brought the Clever Minds community closer together. We look forward to more such celebrations where our students, teachers, and parents can continue to share, celebrate, and grow together!

*"Believe you can and you're halfway there." — Theodore Roosevelt*

# Republic Day

The 76th Republic Day celebrations at Clever Minds Global School were a memorable blend of patriotism and cultural appreciation. The day started with a flag-hoisting ceremony led by our Principal, followed by the national anthem, fostering a spirit of unity among students and staff.

Students showcased their love for the nation through vibrant dance and music performances that highlighted India's rich cultural diversity. The soulful melodies inspired a renewed sense of patriotism throughout the school.

The festivities included an exciting Maths Carnival, where students demonstrated their problem-solving skills and competed for prizes, encouraging creativity and teamwork. Additionally, the Sports Competitions featured enthusiastic participation, with medals awarded to winners for their hard work and sportsmanship.

Overall, the 76th Republic Day celebration at Clever Minds was not just about honoring the nation but also celebrating the incredible talent within our school community, reinforcing the unity and strength that bind us together.

*"Don't watch the clock; do what it does. Keep going." — Sam Levenson*

# Champions

Sports play an essential role in our curriculum at Clever Minds, as we believe they help students develop important values such as teamwork, discipline, and a competitive spirit.

On the occasion of the 76th Republic Day, we hosted an exciting Sports Meet, where students from all grades actively participated in a variety of events.

The meet was a great success, showcasing the enthusiasm and sportsmanship of our students.

Winners were proudly awarded medals by our esteemed Chairman, marking a moment of celebration and recognition for their hard work and dedication.

This event not only fostered a sense of unity and healthy competition but also highlighted the importance of physical fitness and teamwork in shaping well-rounded individuals.

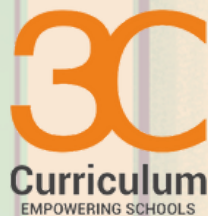

*"Success is not in what you have, but who you are." — Bo Bennett*

We hope you enjoyed this edition and found it inspiring and informative.  
Stay tuned for the next edition, where we'll continue to share exciting updates, achievements,  
and stories from our school community.  
Keep up the great work, and see you next time!
